Eagles' Picnic Set for Aug. 10 At Alvarado Park

The annual free picnic sponsored by Bayview Aerie No. 2323, Fraternal Order of Eagles, will be held on August 10 at Alvarado Park in Richmond, according to an announcement by Michael Fahmie, chairman this year for the big event. There will be contests, games, prizes and dancing from morning until late at night.

A drawing will be held at the picnic for a beautiful combination radio-recorder set, valued at \$500, a case of beverages, a movie camera, a boy's bike, a girl's bike, a pair of automobile tires and a barrel of assorted groceries.

Tickets for a chance at one of the prizes are now being sold by Eagles for one dollar. Money from the tickets will go into the fund for a new Eagles' lodge to be built on Solano Avenue.

Soroptimist News

By BEA RAYMOND

The Soroptimists met Wednesday at Mom's Towne House, 1250 Solano, for an informal round table discussion. The meeting next week will be held at Gaeta's Coffee Shop, 905 San Pablo, and we will hear a debate between two young women from the Junior Statesman Foundation now in convention at Mills College. The young ladies will discuss the Taft-Hartley Labor Bill, pro and con. The meeting will be open to any person interested. Arrangements may be made by calling Gaeta's, LAnd. 6-1636 by August 5.

President Bea Williams, Albany Radio, and husband, Ted, president of the Chamber of Commerce, returned this week from their vacation at Planada where they visited Mr. and Mrs. Fitzgerald of the Planada Dehydrators. Nell Moore, Moore Electric, is back after two weeks at Clear Lake. Kay Hill, Hill's Service Station, and her family will leave Friday for two weeks at Long Beach. They will make the trip in their brand new station wagon.

Freda Bolton, Mechanics Bank, had as her guest Helen Lou Reasoner from the bank. Sally Nelson, General Hardware, brought Miss Judy McKelvie, from Lewiston, Montana. Miss McKelvie just received her degree in art from the University of Colorado.

Marcella Chapell Wed In Afternoon Service At St. Ambrose Church

In a Sunday afternoon ceremony Marcella Chapell wed Richard E. Kuhlmann in St. Ambrose Church on July 20. Father Clougherty officiated to unite the young Albany couple.

The bride's matron of honor, Adele Kerns of San Leandro, wore an aquamarine taffeta gown and carried an old fashioned bouquet of tuberose begonia. Bridesmaids were Margaret Kuhlmann of Albany and Frances Toben of Berkeley.

Serving Richard as best man was William Austin of Albany. Ushers were Robert Murphy and Charles Taschlarner.

Following the wedding a reception was held at the Rockridge Women's Club in Oakland. The newlyweds spent a ten-day honeymoon at Lake Arrowhead.

The bride is the daughter of Mr. and Mrs. Glenn Chapell of 941 Stannage Ave. Richard's parents, Mr. and Mrs. R. Kuhlmann reside at 1108 Neilson. Both attended Albany High School.

Albany Soldier in Independence Day Review in Tokyo

Private First Class Clarence G. Smyth, 18 year old paratrooper son of Mr. and Mrs. John R. Smyth, 1054 Peralta Ave., Albany, was one of the participants in the annual Independence Day Review held in Tokyo, Japan. He was a member of Company "A," chosen on a competitive basis to represent the 511th Parachute Infantry Regiment in the parade.

The parade was the first since the cessation of hostilities in the Pacific at which General Douglas MacArthur has personally reviewed the troops of his command. Along with many visiting dignitaries, including a number of representatives from foreign countries, General MacArthur watched 15,000 troops, representative of the majority of the units stationed in Japan, pass in review before the reviewing stand located on the Imperial Palace Grounds.

Duty is carrying on promptly and faithfully the affairs now before you. It is to fulfill the claims of today.

Woolworth Is Named to Head Local Chest Drive

Albany will have topnotch leadership in the coming drive of the Community Chest of Albany-Berkeley-Kensington, according to Redmond C. Staats, Jr., who last week announced the appointment of William Woolworth as "General" of the Albany division of the campaign. Woolworth is Curriculum Coordinator of the Albany schools, which last Fall attained 113 per cent of quota in the Chest drive under his leadership.

In accepting the assignment, Woolworth called attention to the fact that welfare services provided Albany citizens by Community Chest agencies will cost the Chest almost \$20,000 in 1947, whereas Albany raised less than \$7000 of that amount in the joint drive last Fall. He expressed a desire to see his community come nearer to meeting its fair share of costs of welfare services given by the Chest.

Pointing to the fact that large numbers of Albany residents work and give elsewhere, Woolworth stated that every such person will be urged to give a fair proportion to the Chest of his home community where he and members of his family benefit.

Albany solicitation will be made through residential, business, professional, school, city, organization and Research Laboratory sections of the drive, for which leaders will be announced soon, Woolworth stated.

Tires at Tirol Now Below Pre-War Price

Dave Lewis, manager of the Tirol Company, 1870 Solano Ave., had good news this week for motorists in need of new tires. According to Lewis, the new B. F. Goodrich Silvertown tire is now selling for less than pre-war prices and the new L. D. Silvertown tire is the best B. F. Goodrich has ever produced.

"Another bright spot on the business horizon," says Lewis, "is a little better delivery on refrigerators and washing machines. Some are available for immediate delivery while others take from two to four weeks."

The Tirol Budget Plan is available on all items sold at their big Solano Avenue store.

CITY VOTES TAX LEVY ON RACE TRACK

The Pacific Turf Club was officially recognized as a prospective business concern of Albany Monday night when the City Council moved to adopt ordinances determining taxes the race track must pay during their operating season.

It was decided that the Club should pay \$100 per day for each day of racing and a city tax of five cents on each admission of 40 cents or more. Racing Form vendors will be charged \$200 for a 90 day period in any one year while other salesmen shall pay \$10 each. The ordinances will become effective before September 9 when the track opens.

A request from the C. W. Devilliss Co. for permission to use explosives for blasting on Albany Hill brought a protest from Councilman Raymond F. Cleary. He said a subdivision plan had been filed and excavations started before a permit was issued. Dirt was hauled to the Pacific Turf Club, Cleary said, and no subdivision is now underway.

Acting Mayor Frank Hays, Councilman Bert E. Hill and Councilman Charles Graeber, granted the permit over Cleary's protests. The permit is contingent upon posting a bond of \$100,000 and blasting must be completed within three weeks after issuance.

MORGAN'S MEANDERINGS

By M. S. T.

A discussion of crime, real and radio, with Sigrid Oakley at the Police Department, brought to my mind some figures I compiled one night while listening to a program sponsored by a coffee substitute designed to soothe the nerves. The "mystery" drama opened with a pistol shot after each letter of the product name. Then came thirty minutes of bedlam during which I counted 11 more shots, one scream, shrill and piercing, and eight thuds of fists on flesh or falling bodies. Very soothing.

Over at the fire house Wednesday morning I found Captain Gerald Browne all dressed up in civilian clothes just back from his vacation. With the competent captain back Chief Pimental has taken off his vacation.

Mrs. Bette Green has taken herself and her pleasant smile from the Recreation Department over to the City Hall where she is now assistant to Miss Dorrie Gamble, city auditor.

Little Sharon Girsch celebrated her eighth birthday with a picnic at Terrace last Wednesday, July 30. Shepherded by Mrs. Vern Freeman 16 playmates joined Sharon in the frolic. She is the daughter of Mr. and Mrs. Paul Girsch of 1455 Washington. Daddy owns a welding shop in Berkeley and is an Albany Exchange.

An echo from the Lion's convention in San Francisco: A group of Lions from Cuba and their ladies appeared in town wearing brightly colored caps and attire.

Not another trip to Alaska, but a bad case of the flu was the cause of Mayor Williams' absence from the city council meeting Monday night. His honor, however, is reported up and about again and back on the job Thursday.

New Owner

Gus Gamos, for many years a member of the alteration department of Forman and Clark in San Francisco, has bought the Melon Cleaners, 1102 Solano Avenue. He will specialize in cleaning, pressing and alterations of men's and women's suits. Gamos was recently in business in San Francisco as a naval and civilian tailor. He has resided in Albany for the past eight years.

Knudson Studio Opens

The Knudson Music Co., 505 San Pablo Ave., has opened a studio for instructions in all types of instruments, according to John Leonard, sales manager. Rehearsals are underway for the children's concert to be given Sept. 14 in the Scottish Rite Auditorium in Oakland. Students from Knudson studios in Richmond, Albany and Alameda will participate.

George W. Nickerson Services to Be Held In Oakland Saturday

Funeral services will be held Saturday, Aug. 2 at 1 p. m., at the Grant D. Miller Mortuary, Inc., Oakland, for George W. Nickerson, 71, pioneer Albany resident, who died Thursday morning at the Oakland Veterans Hospital.

In addition to his wife, Elizabeth Agnes, he is survived by three sons, Kenneth A. of the Albany Police Department; Melvin W. and Clement R., both of Oakland, and a daughter, Mrs. Beatrice P. Antwiler. Also surviving are two sisters, Pearl Hutton and Claire Perry and three grandchildren, Bonny, Bruce, and Julie Ann Nickerson.

Nickerson served as the first city clerk of Albany when the city was incorporated in 1908 as the city of Ocean View. He held that post until 1919. From May 31, 1933 until March 26, 1934 he was Park Commissioner. He resigned to become a member of the city council until Jan. 31, 1935.

Nickerson was a veteran of the Spanish American War. He was in the construction business and built many theaters and other buildings in the bay area.

Services will be under the auspices of Sequoia Lodge No. 349, F.A.M.E. He was also affiliated with Oakland Tent No. 171 B.P.O.E., E. H. Liscum Camp U.S.W.V., and K.O.T.M. He was a native of Canada.

O.E.S. Meeting Fri.

The regular meeting of Albany Chapter, 550 O.E.S. will be held on Friday evening, August 1, at eight o'clock in the Maccabee Hall. Worthy Matron Esther Wood and Worthy Patron Cecil Boekenogen will preside. The banquet room will be under the direction of Associate Matron Marjorie Rooney and committee. Table decorations will be arranged by Conductress Ruth Showalter.

The Mary Parker Williams Club will meet at the home of Mrs. Selma Lee, 236 Ashbury Avenue, El Cerrito, Wednesday evening, August 13 at 8 p. m. Mrs. Showalter will be co-hostess. Members are urged to attend to make final plans for the year's project.

A few of our members who have recently returned from their summer vacations but of state are: Mr. and Mrs. Len Rodgers, Mr. and Mrs. Cy Miller and Mr. and Mrs. Kenneth Bitzer and children.

Whist Party

Albany Parlor No. 260, Native Daughters of the Golden West will hold a whist party, Wednesday, August 6, 8:30 p. m., at the Maccabee Temple, 985 Kains Ave., according to announcement by Past President Agnes Madison, chairman. The public is invited to attend. There will be many lovely prizes and refreshments will be served.

Legionnaires Will Hear Report on City Recreation

By WALTER HOLLAND

The coming weekend will be full of activities for the members of Albany Post 292 The American Legion. On Friday evening, August 1, Ralph Beemer, chairman of the Post Community Betterment Committee will have Edwin S. Howell, Superintendent of Recreation for Albany, at the meeting. Howell will discuss some of the problems and improvements the city has pending to enlarge the recreational facilities of the city and the part city-wide recreation takes in combating juvenile delinquency.

The first class of initiates since Carl Waters took the membership job will be inducted into Albany Post with the World War II Ritualistic team putting on the ceremonies. Commander Jack Hamilton will take the leading role in the commander's chair for this colorful occasion.

In keeping with the Post's junior baseball activities for the summer, James A. Sartain, Russel Bradley and Fred Lauders will take the Albany team to Vacaville Saturday, August 2, to play a night game. A large delegation of post members will make the trip as it has been said that Vacaville Post will have open house for all members of Albany Post who accompany the team. The game will start at 8:15 p. m. Members wishing to make the trip and have no transportation can make arrangements with Commander Hamilton or Sartain. The caravan to Vacaville will leave from the Memorial Building. This will be the first game under lights the Albany boys have played and they are thrilled with this opportunity to give night baseball a try.

With the cooperation of the Ladies Auxiliary, Albany Post will put on the entertainment and refreshments at the Oakland Veterans Hospital Sunday, August 3, Walter Ellis, Jr., chairman, has a show of exceptional merit to take to the hospital. Others working on the detail are Lee J. Carroll, Walter Holland, Mrs. Margaret Hanahan, Mrs. Lola Hamilton, Commander Hamilton and Charles Lindh. The group going to the hospital will leave the Memorial Building at 5 p. m. Sunday to have time for the bedside entertainment and visits. The main show in the auditorium of the hospital will go on at 7 p. m. An invitation is extended to all who are interested in visiting the hospital to join the group Sunday.

Consciousness of right-doing brings its own reward; but not amid the smoke of battle is merit seen and appreciated by lookers-on.

School Board Requests Turf Club Donations For Albany Children

The Albany Board of Education, at an adjourned meeting held on Tuesday, July 29, voted to request the Pacific Turf Club to donate one of its several charity days scheduled at the Albany Race Track this year to a recreational fund for the children and young people of Albany. The money, if the request is granted, would be expended through either the Albany Recreation Department or the Community Services of the Albany City schools. This donation would provide facilities for the young people of Albany, additional to those provided by the City Recreation Department or the School Community Service Budget.

The Board, at this same meeting, accepted, pending approval of the District Attorney of Alameda County, the bid of the Service Heat and Power Company of Oakland for the installation of gas heat at the Albany High School. This new heating system, costing \$4,955, will replace the worn out oil burners now in use.

Upon the recommendation of Superintendent Paul C. Bryan, the program of the Cooperative Nursery at the Codornices Child Care Center Building has been extended, effective September 10, from three mornings to five mornings a week. This program is financed jointly by the participating mothers and by the School District.

The Board gave consideration to an appraisal of property on Talbot Avenue which it intends to purchase as a playground site for the Cornell School when the North Building, facing Solano Avenue, is razed. The appraisals made by A. Ormsby Donogh, Jr., 2466 Solano Avenue, Berkeley, placed the market values of the properties, with improvements, from 934 to 942 Talbot Avenue at \$25,600. Superintendent Bryan and the Board are now making arrangements with the owners to sell to the Albany Unified School District the properties with the houses on them or to sell only the land. In the latter case, the owners will move their homes to other lots. In either case, they will have several months in which to vacate the property.

It is the intention of the Board of Education to replace the North Building at Cornell School, facing Solano Avenue, by building on Talbot Avenue. The Solano Avenue frontage of 200 feet will be sold back to a depth of approximately 75 feet. This will necessitate more playground space south of the present site and explains the present negotiations. One parcel of land on Cornell Avenue has already been purchased, in contemplation of this program.

First Mid-Summer Dance Held Sat. By Junior C. of C.

The Albany Junior Chamber of Commerce held their first mid-summer dance Saturday, July 26, at the Painters' Hall, 1340 San Pablo Ave. This was the first such affair the Jaycees have held since receiving their charter in February.

Assisting Lloyd Samaha, chairman, were Eldon Dodge, Bob Williams and Quentin Spotts.

At their regular meeting held in the YMCA building Thursday night, July 31, President Charles Taschlarner announced the 1947-48 committee chairmen.

New chairmen include Joe Dagnaz, Jr., civic; Taschlarner, Herb Foley, and Bob Woolworth, welfare; Norman Lloyd, sports; Jack Trapanese, membership; Jack Livingston, extension; Donald Hatch, State Director and investigating; Bob Gasaway and Bill Mallman, house; Carl Hilker, scrap book; Robert Turley, youth development; Lee Schultz, publicity; Eldon Dodge, Americanism; Quentin Spotts, awards and decorations and Dr. Victor Stallone, public health.

AFA Will Sponsor Events Honoring Air Force Day

Plans went into high gear this week for the projected community-wide celebration of Air Force Day—the 40th anniversary of the Army Air Forces—on Friday, August 1.

The main event for August 1 is a public Air Force Day meeting to be held at the Oakland Veterans Building auditorium, 200 Grand Avenue, Oakland, according to James C. Rogers, 934 Stannage Avenue, secretary of East Bay Squadron, Air Force Association, sponsor of the event.

There is no mean work, save that which is sordidly selfish; no irreligious work, save that which is morally wrong; in every sphere of life the post of honor is the post of duty.

The Board accepted the resignation of Mrs. Frances C. Smith, a teacher of social studies in the Albany High school since 1933. Mrs. Smith, who served three years as a Lieutenant in the W.A.C.'s stated in her letter of resignation that she is to be married.

The next meeting of the Board of Education will be held on Tuesday, August 5, at 1009 Santa Fe Avenue. At that time there will be a public hearing on the proposed budget for 1947-48.

PROGRESS REPORT**MEMORANDUM**

To: Our Patrons
From: T. J. Manning
Subject: New Divisions

Two new motor coach divisions, one in East Oakland, the other in Richmond, will be ready for use September 1. Constructed at a cost of \$1,200,000 these new divisions will result in better service because of increased maintenance facilities and direct supervision from three division points instead of from one central headquarter. This means greater and more efficient use of equipment with more "in service" time for each vehicle.

Berkeley Players to Offer Mexican Folk Play on August 2

When the Theater Arts Company of Berkeley present the Mexican-folk play "The Red Velvet Goat" at the Berkeley Women's Club on Saturday night August 2, local theatergoers will have the opportunity of seeing a Spanish type play unknown to the English speaking stage but very popular in Mexico. Written by Josephina Niggli, while a student at the University of North Carolina, the play was

first produced by the Carolina players and later had a professional premier at the Hudson Theater in New York.

Eldon Wolf, 1006 Peralta Ave., Albany, serves as technical director for the theater arts company and will also play a role in the "Red Velvet Goat." A cast of some 20 people will have other roles in the play which will be repeated Sunday afternoon, August 3, in a special performance for veterans from Army and Navy hospitals in this area.

Tickets for the Saturday evening performance may be secured from

Nina Dene Crawford, director of the play, call ASHberry 8762; from members of the cast, or at the City Club Theater, 2315 Durant Ave., Berkeley.

Saint Alban's Church

"Who was Lost?" will be the topic of the sermon by the Rev. Randolph Crump Miller, Ph.D., at the service of Holy Communion. He will also tell a story for the youngsters at "junior church" and they will be dismissed at 11:30. The offertory solo will be sung by Alice Burhan.

TIRES THAT OUTWEAR PREWAR TIRES AT LESS THAN PREWAR PRICES

You get improved quality and reduced prices when you buy B.F. Goodrich Silvertowns—the tire that outwears prewar tires—for less than prewar prices.

Big price reductions have been announced. All popular sizes now cost less than before the war.

Manufacturing costs are still up but so are the calls for Silvertowns. The tremendous demand for the new

Silvertown is greater than for any tire B.F. Goodrich ever produced. More miles have been driven on this new tire than any other tire introduced since the war.

If you need tires, equip your car now with B.F. Goodrich Silvertowns. Take advantage of our new reduced prices for safe, trouble-free driving this summer—weekends, holidays and vacations.
